Hi Dave,

We wanted to let you know that OWOW staff has reviewed the two draft MOAs and worked with OGC staff on them. I'm attaching the latest redlines of both. Trey may be reaching out to you to make sure that you are comfortable with before he sends them to the state.

Kathy has continued to work with Simma to provide comments to David and Matt, but it seems that the Region may be a little unclear of OW's position. Please let us know if there is anything else you would like us to be doing to help with this and making sure that you are apprised of any issues we may identify with the proposed regs or MOAs.

Thanks,
Mindy
